

STATE OF UTAH
DEPARTMENT OF AGRICULTURE

Application for Aerial Control Use Permit

The State of Utah, Department of Agriculture ("Department") is responsible for the issuance of permits and licenses for the purposes of the Federal Fish and Wildlife Act of 1956. The Department issues these permits and licenses in coordination with the USDA-Wildlife Services. No state agency or private person shall use any aircraft for the prevention of damage from predatory animals without first obtaining a use permit from the Department. A state agency which contemplates the use of aircraft for the protection of agricultural crops, livestock, poultry, or wildlife shall file an application with the Department for an aircraft use permit to enable the agency to issue licenses to personnel within the agency charged with the responsibility to protect such resources. Additionally, persons who desire to use privately owned aircraft for the protection of land, water, crops, wildlife, or livestock shall not engage in any such protective activity without first obtaining an aircraft permit from the Department.
