carpet  
caskets (in the UK)  
chair covers  
chamois cloth

clothing  
drum heads  
fabrics  
felt  
footwear  
gloves  
mitten soles  
hide glue  
insulation  
lanolin

leather  
luggage  
mattress filling  
ointment base  
pads used to soak  
up oil  
paint  
pelt products  
pillows  
plaster binder

pool table baize  
rug pads  
shoes  
sports equipment  
surf boards  
tennis balls  
textiles  
upholstery  
woolen goods  
yarn

**CHUMP**  
Lean

**LOIN**  
Lamb is an  
Excellent  
source of  
vitamin B12,  
niacin, zinc,  
& selenium

**BACK/RIB**  
Lamb is an all  
natural product,  
raised without  
hormones.

**SHOULDER**  
A 3 ounce  
serving of lamb  
provides nearly  
5 times the omega  
3 fatty acids and  
alpha l inoleic acid  
as a 5 ounce serving  
of beef.

**NECK**  
3 ounces:  
8g total fat  
3g saturated fat  
80 mg Cholesterol

**LEG**  
Nutritious

**FLANK (LAMB BACON)**  
satisfying

**SHANK**

**SHANK**

## BONES, HORNS, HOOVES

abrasives  
adhesives  
adhesive tape  
bandage strips  
bone charcoal for high grade  
steel  
bone charcoal pencils  
bone china  
bone jewelry  
bone meal

buttons  
cellophane wrap and tape  
collagen and bone for  
plastic surgery  
collagen cold cream  
combs and toothbrushes  
conditioner  
crochet needles  
dice  
dog biscuits

emery boards and cloth  
fertilizer  
gelatin capsules  
gelatin desserts  
glycerin  
horn and bone handles  
ice cream  
laminated wood products  
malts

## INTESTINES

instrument strings  
sausage casings  
surgical sutures  
tennis racket strings

## MILK

cheese  
milk  
yogurt

## FATS AND FATTY ACIDS

antifreeze  
biodegradable  
detergents  
candles  
ceramics  
chemicals  
chewing gum
